Financial Assistance Policy Appendix A

Basis for Calculating Amounts Charged to Patients

UF Health Rehabilitation Hospital – North uses the “prospective” method to determine the “amounts generally billed,” or AGB, to individuals who have insurance covering other medically necessary care. The AGB percentage applicable as of Sept. 1, 2024 at our facility is 28%.

The amount was calculated based on estimates of all claims allowed by Medicare (Traditional). Total expected payment from allowed claims was divided by total expected billed charges for such claims.
