

**TITLE:** Financial Assistance

**POLICY:** UF Health Rehabilitation Hospital – North personnel provide Medically Necessary healthcare services to all individuals without discrimination and regardless of their ability to pay.

Charity Care is provided only when services are deemed Medically Necessary based on the clinical judgement of the provider and after patients have met all financial and eligibility criteria established in this policy. This policy covers services provided at UF Health Rehabilitation Hospital – North.

This policy covers services rendered at UF Health Rehabilitation Hospital – North. Patients receiving services will be billed separately for services rendered by physicians practicing at UF Health Rehabilitation Hospital – North Hospital. A listing of those physicians is contained in Appendix B. Appendix B will be reviewed and updated quarterly.

Financial assistance counseling will be provided to all persons who request assistance in meeting their financial obligation to UF Health Rehabilitation Hospital – North. This counseling includes, but is not limited to, establishment of payment plans, identification of government programs and assistance applying for such programs, and accessing Charity Care.

**PURPOSE:** To establish a program that is in compliance with Section 501(r) of the Internal Revenue Code.

**DEFINITIONS:**

- A. **Amount Generally Billed (AGB):** The Amount Generally Billed to insured patients for Medically Necessary care. To determine the AGB percentage (on a calendar year basis to be used for the upcoming fiscal year), UF Health Rehabilitation Hospital – North will use the “prospective” method to determine the aggregate rate paid by Medicare. AGB calculation will be re-evaluated on an annual basis.
- B. **Financial Assistance:** Assistance provided to patients who are unable to fully pay the expected out-of-pocket expenses for medically necessary services rendered to patients and who meet the criteria established by this policy.
- C. **Gross charges:** The full amount charged by UF Health Rehabilitation Hospital – North for items and services before any discounts, contractual allowances or deductions are applied.
- D. **Guarantor:** The individual responsible to pay for a medical bill.
- E. **Medically Necessary:** Services identified as health-care services or supplies necessary to prevent, diagnose, or treat an illness, injury, condition, disease, or its symptoms and that meet accepted standards of medicine. In any of those circumstances, if the condition produces debilitating symptoms or side effects, then it is also considered medically necessary to treat.
- F. **Presumptive Eligibility:** The process by which UF Health Rehabilitation Hospital – North may use previous eligibility determinations and/or information from sources other than the individual to determine eligibility for financial assistance when patient or guarantor is unable to provide the required documentation to complete the financial assistance application.

- G. **Third Party Liability:** The legal obligation of third parties to pay for part or all of the expenditures for medically necessary services provided to a patient.
- H. **Underinsured:** Insured patients whose out-of-pocket medical costs exceed 25% of their annual family income.
- I. **Uninsured:** Patients with no insurance or third-party assistance to help satisfy their financial liability to healthcare providers.

**PROCEDURE:**

- I. **Financial Assistance Criteria.** To be considered for financial assistance, the patient or their guarantor must cooperate by providing the information and documentation necessary to apply for other existing government programs including but not limited to Medicare, Affordable Care Act, Medicaid, Disability, and county programs that may be available for the healthcare services provided. The patient must comply and follow through with all requirements of said programs or Financial Assistance will not be granted.

**A. Financial Assistance shall be granted**

- A. Financial Assistance shall be granted on a sliding scale for qualified applicants for patients with income up to 200% of the poverty guidelines. Any financial assistance granted will be reversed if insurance, Third Party Liability (TPL), auto insurance, settlement and/or other miscellaneous source of payment is identified.
- B. Residents of Duval County Florida may be required to apply for Financial Assistance in person, or be represented during the Financial Assistance application process by a designated representative who has been appointed Power of Attorney (POA) by the patient. Duval County residents must provide two proofs of residence from separate sources. The primary proof of residence must be a Florida Driver License (a Florida Identification Card issued by the Florida Department of Motor Vehicles may replace a Florida Driver License if the applicant provides documentation of ineligibility for a Florida Driver License). Acceptable documents:
  - I. Voter registration card

  - Low income/subsidized housing is provided as a valid address; and
- K. UF Health Rehabilitation Hospital – North will keep all applications and supporting documents confidential, but may share the final eligibility determinations with other providers where a Business Associate Agreement exists for purposes of providing medical and/or financial services to qualified patients. UF Health Rehabilitation Hospital – North may, at its own expense, request credit information to further verify the details of the application.

### **III. Appeals**

- A. Patients/Guarantors may appeal a financial assistance determination by providing the basis for the appeal in writing with additional information, such as income verification or an explanation of catastrophic circumstances within 30 days of receiving the initial determination. Patients/Guarantors will be notified of the appeals outcome.
- B. Collection activities will be suspended during the appeal process
- C. Patients/Guarantors may reapply for financial assistance if their fact and circumstances have changed since the previous application.

### **IV. Measures to Widely Publicize Availability of Financial Assistance**

UF Health Rehabilitation Hospital – North makes this policy, application form, and plain language summary of this policy widely available on its website in English and Spanish, and implements additional measures to widely publicize the availability of financial assistance in communities served, including the following:

- A. Conspicuous plain language signage informing the public of this policy, and how to access assistance, shall be posted in all patient intake areas.
- B. Paper copies of this policy or other related documents such as the posted summary and Financial Assistance Application shall be provided upon request unless the requestor asks for or agrees to accept copies via electronic means such as e-mail or website.
- C. Patients will be offered a copy of this policy's plain language summary at the earliest practical moment during the continuum of care.
- D. Copies of this policy with associated documents and signage will be translated to languages which represent the primary language to the lesser of 5% of the patient population or 1,000 individuals.
- E. Billing statements will include a conspicuous written notice about the availability of financial assistance including the telephone number(s) to call for more information about this policy and the application process along with the direct website where copies of this policy and associated documents can be found.
- F. This policy will notify and inform members of the community served by UF Health Rehabilitation Hospital – North in a manner reasonably calculated to reach those members of the community who are most likely to require financial assistance.
